

BOARD OF GOVERNORS

COMMITTEE OF THE
WHOLE

2026 BOARD MEETING SCHEDULE

According to the Blevins Holdings Administrative Code §35.140 and 72.14(c)(4) it requires that the Board, at its annual organizational meeting, set the time, frequency, and place of regular Board meetings for the coming calendar year to best allow for staff planning and members' calendars.

The Board of Governors will conduct its regular meetings in calendar year 2026 based on the schedule below. The Board meets monthly except where a quarterly plenary session covers two months, as noted in the schedule.

The meetings will convene in open session at 10:00 a.m.; at the conclusion of the open session, the Board will adjourn to closed session. Every quarter the Board meets in plenary session. A plenary session is a four-day mini-conference at which all bodies within the Board's purview (committees, commissions, subcommittees, ad hoc committees, and others) convene alongside the larger Board meeting to review the work of the smaller units. Each plenary session runs Monday through Thursday and takes the place of two monthly regular meetings: the meeting for the month in which it is held and the meeting for the following month. The December plenary session covers December only; the Board holds a separate regular meeting in January. If the Board is meeting in Plenary session, open session will convene at 12:00 p.m. local time.

The meetings are consistently held at our Corporate Headquarters and corporate campus located in San Diego. Unless otherwise noted, the meetings convene in the Board Chambers, Building B, Room 401.
